

# VIRGINIA HILL WATER SUPPLY CORPORATION

## ELECTRONIC METER AGREEMENT

I understand that the metering device for my water service is a radio frequency based meter. I also understand that because of its technology this meter has a much higher cost than a standard water meter, and if damaged, I will be liable for the replacement cost and labor.

Furthermore, I understand that any interference with the proper operation of this meter including electric fields, magnetic fields, tampering with the physical appearance or function of and modification in any way constitutes damage to the meter. I agree that I will be held liable for replacement upon damage and understand that failure to pay any associated charges billed by VHWSC within the allowed time will result in disconnection of water service.
